Practice refurbishment and expansion almost complete

Those of you who have visited the practice over the past year will have been aware of a programme of works we have been undergoing including refurbishment of the waiting areas, a facelift of the outside of the practice, and our expansion with the addition of two brand new surgeries. Thank you for your patience while this has been taking place and we hope that we have kept any inconvenience to a minimum for you. In part some of the improvements have been in response to patient feedback from our Practice Survey commenting on our waiting areas.

We are committed to staying 'ahead of the game' and our expanded accommodation now means that we can conduct post-graduate teaching in our state-of-the-art training/staff room with full audio-visual facilities. This enables us to keep up to date in the latest dental techniques giving you confidence in the treatment we provide.

Referral Scheme Winner

Thank you so much to all of you who have been so pleased with the service you have received that you have passed on one of our referral cards to a friend or family member making you eligible for our prize draw. We're delighted to announce our first winner Jenny Winbow who wins a sumptuous dinner for two with wine at the wonderful La Rascasse just around the corner from our practice. La Rascasse is probably one of the best restaurants in the area and a particular favourite of Nick and Polly's. Our next draw takes place soon so please do refer us so that you too can have a chance to win.

LA RASCASSE

Practice People...

Congratulations new babies abound...

Fertility certainly isn't an issue here at Beckenham Dental Centre with four new babies either imminent or arrived including our hygienist Abby Leigh (pictured) with her new baby Nathaniel, a brother for Zachery and second grand-child for Nick and Polly. Three others are due and we send our best wishes to nurses, Danni, Emma and Tia.

Welcome back Lena

And who would have thought the lure of Beckenham would be greater than that of the South of France? Well it has proved to be the case for dentist Lena Ghose who we are delighted to welcome back to the practice.

She just missed us too much!
